THERMO LEG PROTECTION

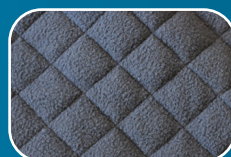

Size	L	Item #
L	1150	WWAL

Due to the water-repellent outer material our leg protection offers an optimal protection for the legs during wet and cold conditions.

- Easy to use, without outside help: put the leg protection over your legs and align the feet in the feet area with elastic band.
- Easy attachment with straps with push buttons.
- Washable up to 30°C

Easy fixation
on wheelchair
